**CIRCULAR**

It has been observed that huge quantity of key construction material of various kinds is being procured at BDO's level in anticipation of any approval from the concerned ACD's, besides without any requisition from the REW wing headed by the Executive Engineer REW at district level, resulting in blockage of Government money. The said practice has been viewed seriously as the same is paving way towards parking of funds unnecessarily.

To stop this practice, it is impressed upon all the BDO's to desist/abstain from the same forthwith and whenever need arises the request for purchase of any kind of material duly vetted by the Executive Engineer REW should be got approved from ACD concerned within the availability of funds as per requisition of quantity/requirement. Hence-forth any deviation in this matter shall be viewed seriously for which the de-defaulters shall be held personally responsible.

  
Director  
Rural Development Department  
Kashmir
