3. That keeping in view the above facts it has become very necessary to upload the e-mail ids and even cell phone numbers of the concerned / competent authorities of all the departments to enable the public-in-general to have prompt and/or instant approach to the authorities if needed to solve their grievances.

Under the above facts and circumstances, it is prayed that a Commission may please be appointed to find out the modalities / methods in which all the departments should be made responsible to upload their e-mails ids on public domain and a provision of stringent disciplinary action must be made if the e-mail ids and cell numbers are found correct.

With kind regards,

Yours sincerely,
CHANDER BHAN
